

Nick Witkowski is a rising senior at West Windsor-Plainsboro High School South and is a part of the Youth Council for La Convivencia. He joined La Convivencia due to his wanting to learn more about different cultures and how we can connect all types of people together and unite as a whole. Nick is passionate about cultural and mental health awareness and is eager to be involved in such projects and working together with a team of people. Outside of academics and La Convivencia, Nick enjoys working out, video games, and hanging out with friends.
